

MWCC Board Meeting
September 2022

Abs: Michael Gray

Discussed:

CORA Multi Use trails and ways to both get community engagement on the process and do our due diligence in supporting the community's effort;

The proposed parking

overlay amendment and ways to give the city feedback on how it might best work in Mt. Washington;

The sandwich board amendment in front of planning commission and ways to support the effort spearheaded by Bob W and the MWCURC to amend Mt. Washington's UDOD;

Discussed the proposed (by MW CDC - Joe Sandman) collaboration meeting for MWCURC, MW CDC and SPAC. Board members are supportive and suggest holding it after the election

Community clean-up details arranged;
